For Immediate Release

Changeis, Inc. Appoints Joshua Reese as Director of Client Development and Strategy

Arlington, VA, September 12, 2022

Changeis, Inc. today is pleased to announce that Joshua Reese has been appointed as Director of Client Development and Strategy. In this role, Mr. Reese will lead the development of a wide range of client strategy solutions, including addressing the global climate crisis and empowering the use of data science. Mr. Reese brings over 20 years of leadership and experience in building organizational development through performance measurement and analytics.

Most recently, Mr. Reese served as Senior Associate at Booz Allen Hamilton where he provided leadership and client development in the Climate and Infrastructure market that included a portfolio comprised of Federal Government clients in facilities and real estate portfolio management, environmental services, sustainability, organizational development, transportation, healthcare, analytics, and information technology. He provided management oversight of a large team of technology and management consultants, while developing client solutions and implementing strategic initiatives for Climate and Infrastructure growth.

Mr. Reese holds a Bachelor of Arts Degree from University of Washington, is currently pursuing a Master of Business Administration Degree from Virginia Polytechnic Institute and State University and is a Project Management Professional (PMP).

“I am energized to be part of the growing Changeis team where the future is bright! Our dedicated professionals are focused on delivering excellence and innovation to support our clients’ mission objectives.”

- Joshua Reese, Director of Client Development and Strategy

“We are excited to have Josh join our growing team as we tackle our clients’ most challenging missions. His experience and expertise will further expand our capabilities in Climate Change and Data Science.”

- Brian Pickerall, Senior Vice President, Changeis, Inc.
